

Currently, 18 LESA grade schools are using OASIS Intergenerational Tutoring to support the reading achievement of their students. OASIS trains senior adults to help young children build reading skills, self-esteem, and positive attitudes toward learning. OASIS serves children who are in kindergarten through third grade at no cost to participating schools. As you continue planning for the 2009-10 school year, now would be an opportune time to consider implementing the OASIS Tutoring Program in your school. If you would be interested in receiving a packet that could further explain our tutoring program, please contact: Luanne Beumer at (314) 842-4826 or blbeumer@gmail.com
